WINTER LEAGUE RULES

Rules as amended at the Southampton LTA Winter Fixtures Meeting on 6 September 2017

1. The Winter League will be open to all Clubs affiliated and conforming to the rules of the Southampton LTA and will be arranged in as many divisions, as the Committee think best, with not more than 7 teams in a division - with the exception of the bottom division, which may be enlarged if required.
2. The divisions will consist of as nearly an equal number of teams as possible, the largest number of teams, where possible, being in the higher divisions. However, promotions will be made in line with Rule 3 and any adjustments which are necessary to achieve this will be made to the bottom two divisions.
Teams will meet once a year, alternating home and away.
3. The top 2 teams of each division (except Division 1) will be promoted each year. The lowest 2 teams will be relegated as is necessary for the requirements of the League. If teams are equal on points, rubbers and games, then the Championship, promotion and relegation will be decided on the result of the match (or matches) between the teams concerned, on events.
4. No club shall have more than 2 teams in Division 1 of the Southampton Winter Leagues.
5. Two teams playing from the same club in the same division of the Southampton Winter Leagues must play each other before 1 November, otherwise the match will become Void.
6. If any team or teams withdraw from the League for any reason and wish to re-enter the League, they must enter the bottom division.
7. Players must be bona-fide members of a club affiliated to the Southampton LTA. No player will play for more than one club in a season. Any team violating this rule will have 2 points deducted at the end of the season for each match in which the infringement occurred.
(The Mixed League will be considered as a separate league, so players may play for one club in the Mixed league and another club in the Men's or Ladies' Leagues.)
8. Fixtures will be arranged by the Match Secretaries at the Fixtures Meeting of the Winter League and fixture lists must be sent to the person nominated at the meeting immediately. Results should be sent to this same person without delay by **BOTH** teams.
9. Each club will have 1 vote at the meeting of the Southampton Winter League.
10. If a team concedes a match, there will be a 2-point deduction for each occurrence during the season, from their points totals in the League Tables.
11. a) No matches are to be postponed except for reasons of weather and in this regard, the Captain of the home team is to decide in the event of the match being curtailed.
b) If a match is curtailed due to inclement weather, it will be continued or replayed according to the following formulas: -
Men's & Ladies' Leagues: it will be continued if 3 events have been completed before the captains agreed to the curtailment of the match. Under these circumstances the teams and venues will remain unchanged and the remaining events may be played at any time convenient to the clubs and the individual players, provided that they are completed by the end of March.

If 3 events have not been completed, the match will be rearranged to be played in full at a later date at the same venue, when the teams may be chosen without any reference to the teams selected for the original match.

Mixed League: as above, but the number of events which have to be completed is 2.

The League Secretary is to be advised of the revised date by both clubs within 14 days of the match being curtailed.

The following Rules apply to the Men's and Ladies' Leagues only.

12. A team will consist of 3 pairs, and a match of 9 events. Each event will consist of only 2 sets, with a tie break being played at 6 games all in both sets. **Any game that reaches deuce will be decided by a sudden death point, the receiving pair will decide where the server starts the point.** If the event is tied at one set each, the event will be regarded as drawn. 2 points will be awarded for a win and 1 point for a draw. Captains must exchange completed team sheets before the commencement of the match, with no amendments being made thereafter. If any player is absent when called upon to play 15 minutes after the agreed start time, the opposing team will be awarded the event with a score 6-0, 6-0.

(also in the Apsley League matches can be moved to the Sunday of the same weekend)
3. Matches should be cancelled due to poor weather as late as viably possible (to allow for the most accurate forecast), but considering that the away team should be informed before needing to travel.
4. Teams to be filled & selected in order, also **Pairs are to be played in strength order.**
5. If a full team cannot be fielded for a given fixture, it is possible to play the match with a reduced team.
6. If a full team cannot be fielded for a given fixture, replacement players from the opposing team or Guest players can play in order to allow the full number of matches. It is to be noted that the affected rubbers' results would not however count towards the overall score.
7. Two scorecards must be submitted for every match (via post or email), one from the Home club and one from the Away club (and in the case of the Winter League not in the same envelope, as a precaution of their loss in the post).
8. If a particular match is not played due to one team giving the other a walkover, it is important to note that two scorecards / emails should still be submitted.
9. Providing tea after a match is not an obligation, however, this should always be discussed in advance with the away team.
